CHAPTER 00: PROLOGUE

But her sleeping face forces me to let it go ♥
Jeez, what a sleepyhead my master is
Errm- Ryouta, this is not what your master is supposed to do! You're the one whose should be like...
Hey Ouka!
However...
I can see up your skirt!!
If you sleep on top of the overhead rack

Ouuuuuu~!!
Don't bite in the first place!!
Because you didn't wake up, I helped myself to a bite
Don't talk while biting!!
You finally woke up
seem to be forgetting the fact that you are my, the great Shiren Fuyukura's, Minion
Not waking up immediately... this was your punishment!
Phew...
Ayouta
You

You could leave this empire and go back to Japan, you know
I woke up with the speed of a god!
Besides, blood-sucking is a very normal physical contact between a Sacred Blood Master and her Minion
Well, then...
It's like a Christian praying to the Virgin Mary!
Is it that sacred to you?
Damn.....
It can't be helped
Exploiting my weakness
Jeez...

If I make it now, we'll still make it in time
...
I'll make breakfast
You know...
Forget what I said about how you can go back to Japan if you wanted to

I won't go back
So don't worry
Really ..?
..yeah
If you lie to you Master
I'll make you swallow a thousand needles!
I know
On top of that

You'll have to make a 1500ML blood donation to me!
Oh, if it's only that much-
Wait, I'll die!
That's a 3 times more than an ordinary blood donation!
Then ... we'll go with 2000.
There's clearly a killing intent...!? Are you trying to kill me!?
Pay some heed to your master's feelings!

You still don't have the right mindset of a servant!
IF you are gone
Cleaning and cooking and laundries ...
I'll have to do all of those tedious jobs!
I knew it was something like that
When I visited the neighbouring city, it had become a country of vampires called the Sacred Blood Empire, and I could no longer return from there to Japan.
At the moment, there is no prospect of return to Japan.
